Additional Terms

Dormant/Inactive Account Information: A dormant account fee of \$5.00 per month will be charged after 12 months of inactivity. In addition, the dormant fee is only assessed if the balance falls below \$100.00

Fees and Charges: Please refer to the separate fee schedule provided to you with this disclosure for information about fees and charges associated with the account. A fee schedule will be provided to you at the time you open an account, periodically when fees or charges change, and upon request.

Processing Order: Items presented for payment may not be processed in the same order as they were received and that order may affect the total fees assessed to your account. Generally, the first items that we pay are ATM withdrawals, debit card transactions, and any checks cashed by our employees or that you have written to us. We then pay items that were submitted electronically, such as ACH items, preauthorized electronic transfers, telephone-initiated transfers, and any other electronic transfers. Finally, we pay the remaining items based on check order sequence. The processing order of these items is important because if there is not enough money in the account to pay for the items in the order they are processed in accordance with the processing order, there may be an overdraft on your account which may result in overdraft or non-sufficient funds fees or an increase in the amount of these fees.
